

Lyme Disease Notes for Heirzheimer Effect

Lyme Herxheimer Helper 1
WDB4.

Lyme Herxheimer Helper 2
WDB4.

Lyme Pain and GI Tract
Abdomen, indigestion, anal, urethral.

ATP Generate
Helps mitochondria produce ATP, essential for
transport of chemical energy in cells.

Clarity of Thought/Mental Function Stimulate
Mind

Minerals - Potassium
Alkalizer, electrolyte, kidney, cellular, energy.

Minerals - Phosphorus
Phosphate source to manage energy, synthesize
protein, fat, carbohydrates, contracts muscle
(heart), hormone production, and Vitamin B
utilization.

Vitamin B17/Laetrile (Cancer) (MW)

General Shell (empty) Preset for Spooky Scalar (SS).

Scalar fields are unlike regular electro-magnetic waves. Scalar fields move information. The field envelope is static, and has the ability to vast distances without the loss of strength. If no-one is in the field, the strength increases.

Scalar fields do not produce frequency fatigue. Your body takes what it needs, and disregards the rest. However, you may initially experience a slight headache while your cell mitochondria recharges.

Spooky Scalar is capable of transmitting the original frequencies discovered by Royal Rife, without the use of sub-harmonics. This is a world-first for a scalar device.

1. Connect generator Out 1 or Out 2 to the Spooky Scalar generator input.
2. Turn Spooky Scalar on.
3. Tune Spooky Scalar as per the manual.
4. Select the programs you wish to run, and load into the generator.
5. Start the generator.

Please refer to the Spooky Scalar Users Guide for more information. _____
